[www.eteamz.com/mysticlittleleague](http://www.eteamz.com/mysticlittleleague)

# Welcome...

Mystic Little League Welcomes you to the 2010 Season!

Dear Mystic Little League members – Here we are again, ready to begin the 2010 Baseball and Softball season. I'd like to take a moment to welcome you all back to another wonderful season, and thank-you and your families for your participation and dedication to these wonderful sports.

Once again, let's keep our eye on the ball ... By that I mean, as we enter this season, I encourage all of us to keep at the forefront of our minds the main reason we are all here. The mission of Mystic League is a simple but powerful one – to provide a program that offers guidance and exemplary leadership to our youth, one that supports our kids in developing the qualities of commitment, determination, discipline, teamwork and physical well-being. By espousing the virtues of teamwork, courage and loyalty, the Little League Baseball and Softball program is designed to develop not only skillful players, but more importantly, the character of our future citizens.

The League touches the lives of over 450 local families. Each and every one of these families are now a part of the bigger family of Mystic Little League. "It takes a village" to run a program like this – the logistics of coaching and managing teams, co-ordinating the schedules, maintaining the fields, equipment, facilities and not to mention the all important Snack Shack, are daunting. Yet every year, the season comes and goes with great success. This is entirely due to the precious investment of time and energy from so many volunteers. We welcome anyone wishing to volunteer – so please make your self known to any of the coaches and managers and come be part of the fun. My sincere thanks to all those who have, and continue to, tirelessly contribute so much to make our kids Little League experience the kind that memories are made of.

The upcoming season will provide opportunity for all our players to become the best baseball and softball players they can be. Their coaches and managers are committed to providing them with the training and guidance to grow as baseball players and as teammates. Parents and family members - we ask for your support in this. Encourage practice, determination, but above all, sportsmanship !

Let make the 2010 season safe, fun and exciting for players and supporters alike ...

Play Ball!

Your Mystic Little League President,

Tom Taber

# THANK YOU FRIENDS!

Mystic has been fortunate in its ability to provide the highest quality Little League program to our community- it is due to your support that this is possible.

Mystic Little League receives no funding from Groton or Stonington towns - we are supported entirely by volunteer financial donations such as yours.

Mystic Little League is a non-profit organization and your donation is tax deductible to the fullest extent allowable. Please make checks out to "Mystic Little League"

All of us appreciate your support and look forward to a continued successful relationship with you in 2010, and in following seasons.

#### LITTLE LEAGUE PLEDGE

The Little League Pledge was written by Peter J. McGovern, the late president of Little League Baseball, in 1954. It made its first appearance in the February 1955 "Little Leaguer" magazine. Its text has remained unchanged in the half-century since then. The Little League Pledge was drafted after Mr. McGovern became aware that local Little League programs were reciting the U.S. Pledge of Allegiance before games. Mr. McGovern wanted to give all leagues (not just those in the United States) a pledge reflecting some of the sentiments of the Pledge of Allegiance, minus the references to the U.S., while adding the elements of sportsmanship and the desire to excel. The text of the Little League Pledge was sent to U.S. President Dwight D. Eisenhower on Feb. 22, 1955. President Eisenhower (and every president since then) was a strong supporter of Little League. In a response by letter to Mr. McGovern a few days later, President Eisenhower said: "Thank you for ... sending me the inspiring and fine pledge that, I understand, will now be repeated at the start of the Little League Baseball games. I am always glad to hear the plans and activities of Little League." A recitation of the Little League Pledge is led by President George W. Bush before Tee Ball on the South Lawn games at the White House. President Bush first recited the Little League Pledge in 1955 as a Little Leaguer in Midland, Texas.

Pledge  
I trust in God  
I love my country  
And will respect its laws  
I will play fair  
And strive to win  
But win or lose  
I will always do my best

Today, local Little League programs sometimes choose to recite the Little League Pledge at the start of the season, and some recite it before every game. It is printed on the backs of the Little League rule books. Some local leagues also choose to play or sing the National Anthem of the country in which the game is played. Others may add a prayer to ceremonies. Whether to recite the Little League Pledge, play or sing the National Anthem, or say a prayer, is entirely up to the local league's board of directors. While many local leagues and districts include a recitation of the Little League Pledge in ceremonies, it is not, and has never been, required to be recited by any person involved with Little League Baseball or Softball.

## JACK JONES AWARD

The "Jack Jones Award" is a award Mystic Little League gives in recognition to a individual or group for helping to make Mystic Little League the best possible league. One of Jack's greatest passions was Little League Baseball. His goal was to insure that every player had a positive experience on the field. He did this through his efforts for many years coaching young teams. He was president of Mystic Little League from 1974-1981. District 10 manager from 1984-1991. He also devoted countless hours developing Rossi Little League Field, specifically what has become Rossi 2. God bless Jack 1940-2002.

"2010 Jack Jones Award" recipient, Jim Carney. Mystic Little League says, Thanks Jim and your family, for all your outstanding work for making Mystic Little League the best possible league.

# MYSTIC LITTLE LEAGUE HISTORY

The Mystic Little League was formed in 1951 by Anson Morgan, Kyle Lamphere and Carlisle Greenwood. Games were originally played on an empty lot on the corner of Allyn Street and Rte 1 referred to as Windy Hill. Few years later, a field was made at Williams Beach, near the present day YMCA (formerly Mystic Community Centre), and games were played there.

Anson Morgan arranged with John T. Rossie of the J. Rossie Velvet Company for donation of land to the Mystic Little League sometime in the late 1950's, or early 1960's, and Rossie Field, as we know it today, was built.

Original sponsors back in 1951 included C.J. Perkins, Groton Police Benevolence Association, Flightex Mills, and Buds Mystic Motors.

Back then, sponsors not only supported the teams with uniforms and cash donations, but helped maintain the field too. According to Don Clingenpeel, who was involved with the Mystic Little League from 1960-1987, the League did not have much in the way of cash when it first started. The grass was mowed by families bringing their own lawn mowers to the fields on weekends.

Rossie 2 was built in 1976 after Jack Jones and Don Clingenpeel arranged for delivery of 20,000 yards of fill removed during construction of the Mystic MacDonalds. The fill was necessary because the land was on a hill. John Valentine designed and built the bleachers now at Rossie Field, and John Valentine, Don Barbour, Joe Rubino and Jim Martin built the present day Press Box in the early 1980's.

The first backstop was built by the Collins and Jewel Boiler Company. Bob Jewell was president of the company, and donated company time to build the backstop. He later formed the Minor Leagues and Collins and Jewel sponsored a team in the minors for many years.

Before Bob Jewel formed the minors, the children that did not play in the majors were called the sweatshirts – they received this name because they all received sweatshirts and played scrimmages in them throughout the season.

Another interesting item to note was that back in the 1960's, the League had a newspaper called the mystic Little League News. This paper was started and edited by Don Clingenpeel.

Notable athletes from the League included Bill Dorsey (mid 1960's), Dave Campo and Paul Menhart. Bill Dorsey, who pitched a game in the 1960's with 18 strikeouts and no walks, later played professional baseball in the minor leagues. Dave Campo is the defensive coordinator for the Dallas Cowboys. Paul Menhart is in the Major Leagues having pitched for the Toronto Blue Jays, and the Seattle Mariners.

Mystic Little League is a member of the Connecticut Little League District 10 and plays in post season tournaments against teams from East Lyme, Groton City, Groton Town, Montville, New London, Stonington, and Waterford.

Some of the accomplishments of the Mystic Little League 11 and 12 yr old tournament teams include –

Baseball –  
Connecticut State Champions 1987  
District 10 Champions 1984, 1987, 1988, 1993, 1994

Softball –  
District 10 Champions 1995

Our 9 and 10 yr old softball and baseball teams were District 10 Champions in 1994, and Runners-Up in 1995

A special thanks  
to  
Coach Jeff Labasi  
for all he has done  
for  
Burnside  
Plumbing  
softball team  
during this  
difficult time.

I am blessed to  
have such a good  
friend and the  
girls with a  
wonderful coach.

Also, thank you  
to the many  
parents that  
stepped in to help  
out during my  
absence.
