Dear Mystic Little League Friends,

On behalf of the 500 local Mystic children and volunteers of Mystic Little League, I would like to thank you for supporting the 2014 Official Program Guide. Your support has made it possible for these children and their families to participate to the fullest extent in Mystic Little League baseball and softball programs. Mystic has been fortunate in its ability to provide the highest quality Little League program to our community - it is due to your ongoing support that this is possible.

Mystic Little League receives no funding from Groton or Stonington towns - we are supported entirely by volunteer financial donations such as yours.
